

Thousands of patients registered with the Health Connect Registry program, ready to be connected to a primary care provider

Options to fit your practice and lifestyle preferences

Endless recreation: trails, bike paths, parks, beaches, shopping, wineries, and entertainment

Team-based, collaborative clinics: FPs, NPs, MOAs, AH

KELOWNA

Live, Work, Play

Welcome to Kelowna, located in the beautiful Central Okanagan and home to over 160,000 residents. Kelowna is both urban and rural; nature and culture; playtime and downtime. Kelowna isn't just one destination; it offers a variety of experiences in one uniquely beautiful location. Kelowna, which originates from the Syilx First Nations word for grizzly bear is a sanctuary filled with pristine lakes, pine forests, abundant gardens, orchards, vineyards, and sandy beaches.

Kelowna has 211.8 kilometers of beautiful parkland and several sandy beaches on the banks of Okanagan Lake, which provides bountiful opportunities for boating, swimming, water-skiing, windsurfing and fishing. In the cooler months, our snow-capped mountains and forests are a haven for outdoor adventurers of all types and levels. Big White Ski Resort is only an hour from downtown Kelowna and boosts a multitude of activities for all ages, horse drawn sleigh rides, and more.

Orchards and vineyards thrive just minutes from the downtown core. Spring, Kelowna's cultural District features galleries, museums, theaters, casino, artists' studios, fine dining, and a vibrant cultural life all year long. It's hard to say no to a community that offers it all, along with beautiful landscapes, local wineries and adventures!

Kelowna is also home to many family practice clinics, with great staff, and Primary Care Network supports. The region supports long term care homes and providers and a newly developed maternity care antenatal clinic for those interested in obstetrics.
