

Thousands of patients registered with the Health Connect Registry program, ready to be connected to a primary care provider

Options to fit your practice and lifestyle preferences

Endless recreation: trails, bike paths, parks, beaches, shopping, wineries, and entertainment

Team-based, collaborative clinics: FPs, NPs, MOAs, AH

LAKE COUNTRY

Live, Work, Play

Welcome to Lake Country, located in the beautiful Central Okanagan. Home to over 17,800 residents, Lake Country is located North of Kelowna and South of Vernon. Only five minutes from YLW Kelowna International Airport, Lake Country offers authentic, rural and quaint experiences.

You can't go wrong with three major lakes, seven wineries and plenty of farm fresh produce to choose from. Add in plenty of sunshine and it's the winning combination for the perfect getaway.

Lake Country is home to various family practice clinics and is supported by a strong Primary Care Network (PCN). The area also features a comprehensive long-term care program, providing essential services to meet the community's needs.

If you're looking to balance your career, consider joining a team of dedicated physicians, skilled support staff, and knowledgeable PCN providers. Our collaborative environment fosters professional growth and offers the opportunity to make a meaningful impact on patient care. Enjoy the benefits of working in a supportive and well-resourced healthcare system while contributing to the well-being of Lake Country residents.
