LAKE COUNTRY

Welcome to Lake Country, located in the beautiful Central Okanagan. Home to over 17,878 residents, Lake Country is located North of Kelowna and South of Vernon. Only five minutes from YLW Kelowna International Airport. Offering the finest authentic, rural and quaint experience in the entire Okanagan.

You can't go wrong with three major lakes, seven wineries and plenty of farm fresh produce to choose from. Add in plenty of sunshine and it's the winning combination for the perfect getaway.

Lake Country is currently home to one family practice clinic. This recently 10 exam room walk in and longitudinal family practice has primary care providers on site (PCN nurse) and great support staff. Located down the road is one care home with 49 beds.

This position requires a strong interest in longitudinal care for a growing population, participation in the on-call schedule with the other physicians in clinic. The successful candidate would be comfortable working a range of patients. It is anticipated that the physician establish a full-time practice in the Lake Country.
